

Nadleśnictwo Lubaczów

Welcome to the educational trail "Góra Brusno"!

- You are currently located within Lubaczów Forest District, in the Polanka forestry area.
- This trail was created for tourists who enjoy walks in the forest and wish to discover local history and nature.
- The trail route runs through the Brusienka valley, over which two bridges have been constructed, and along the slope of Brusno mountain.
- The trail features 15 stops with informative boards describing local historical sites, natural curiosities, and the history of forest management.
- Completing the entire trail (loops 1 and 2 combined, totaling 4.5 km) will take approximately 2-3 hours.
- You may shorten your route by selecting only loop 1 (1.2 km, approximately 45 minutes).
- While traversing the trail, you will climb Brusno Hill (an ascent with an elevation gain of approximately 100 meters). Near stops 7 and 8, benches are available for resting. Afterward, the trail becomes easier and leads downhill.
